Title of the paper:
Example:

Effect of Plant Flavonoids on Bacteria

First Author¹, Second Author², Third Author³

Abstract: You should type your abstract here. Each manuscript must include an abstract in English of approximately 200 words. It should be concise and factual. It should have a structured form. The abstract should be nonmathematical and include a summary of the research objective, methodology, findings and conclusion. An abstract is often presented separate from the article, so it must be able to stand alone. References should be avoided in the abstract. Do not use abbreviations, special characters, math and formulae in your abstract. The title of the paper but not the author's name or other identification/designations, should appear on the abstract page and not the first page of the text.

Keywords: include at least 5 keywords and a maximum of 8 words. They should not repeat the title of the manuscript.

Introduction

National University Journal of Science is a multi-disciplinary research and review journal published half-yearly. Its scope includes experimental and theoretical works on physics, chemistry, mathematics, statistics, bio-chemistry, computer science, zoology, botany, geography, psychology and environmental science. The Journal publishes original research papers and short review articles on any branches of science and their applications. Papers should be written in English.

¹ Department, University/College/Institute, City, Country
² Department, University/College/Institute, City, Country
³ Department, University/College/Institute, City, Country
Tables: It should be typed in the body of the text and numbered serially in numerical order as they are mentioned in the text. Each table should bear a descriptive title and be referred in the text by respective numbers. For example:

Table 1: Table of words

<table>
<thead>
<tr>
<th>Samples</th>
<th>LC50(µg/ml)</th>
<th>Samples</th>
<th>LC50(µg/ml)</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

Figures: For example

![Fig. 1: National University Logo](image)

In the text—
Figure 1 shows the Logo of the National University.
The Logo of the National University (Fig. 1)

Photographs: It should be of high-contrast glossy, black and white prints. All original figures, plates, photographs should be numbered on the back with author's name and title of the paper. Diagrams should be made with black ink or computer-generated black on high-quality white paper or other comparable material.

Submission Preparation Checklist
Before submitting the manuscript, author(s) should check the following list:

- Articles will be accepted only in MS-Word format. No pdf files will be accepted. All manuscript should be computer typed (Font-Times New Roman, Font Size-11 point, Paper title font size- 14+bold, Section heading font size- 11+bold and subsection heading font size- 11+bold) in A4 size good quality paper and be double spaced, except for indented quotations. Margin should be at Top-2.12", Bottom-1.72", Left- 1.38", Right-1.38", Header-1.75" & Footer-0.5" of the page. Please submit the article in only one file (.doc or .docx) including results, tables, figures, references and the text.
Any teacher or student of NU affiliated colleges can submit research-based articles. Teachers, students or researchers of other universities/institutions/organizations may also submit their research-based articles for publication in this journal.

Manuscript Preparation
1. Manuscript should be as concise as the subject and research method permit subject to a maximum of 5000 to 6000 words.
2. The submission should not be copied or plagiarized in whole or in part from other works.
3. To ensure anonymous review, author(s) should not identify themselves directly or indirectly in the papers.
4. A cover page should include the title of the paper, the author(s) name, affiliation and acknowledgement, if any.
5. Title should be concise and informative
6. Try to avoid abbreviations, special characters, math and formulae where possible
7. The submitted article should include the name(s) and the affiliations(s) of the author(s). Indicate the given name and family name clearly.
8. Clearly indicate who is willing to handle correspondence at all stages of refereeing, publication and also post-publication.
9. Subdivisions of the article:
   - Divide your article into clearly defined and numbered sections
   - Subsections should be numbered 1, 2. (Then 1.1, 1.1.1, 1.1.2., 1.2 etc.
   - The abstract is not included in section numbering
   - Research works should be divided into introduction, materials and methods, results and discussion, conclusion, references.

Conclusion
Acknowledgement
References

• Citations in the text
  o Please ensure that every reference cited in the text is also present in the reference list (and vice versa).
  o Avoid citation in the abstract.
  o Reference in the text should be numbered in order and these numbers should appear within third brackets in appropriate positions in the text (e.g. [1]).
  o All references of a manuscript should be typed in their serial order under the heading "Reference". Author should follow the style below.

• Reference List
  o The heading of the References section must not be numbered
  o References should be presented in consecutive order (as they are referred to in the text) such as 1. 2. 3..............
